

## Keeping Industry Productive

Industrial and petrochemical facilities balance many challenges. They need to provide the safest environment possible for their staff, maximize production, ensure pollution levels are minimized thus reducing carbon footprints, while lowering operation and energy costs. Hunton Services recognizes the critical nature of plant process cooling systems. Our goal is to provide you with a comfortable working environment, assure minimal downtime, protect plant revenue and meet all environmental requirements.

### *Hunton Services offers industrial facility services, including:*

- Engineered equipment skid packages for process cooling chillers, pumps, cooling towers, etc.
  - HVAC equipment and systems
  - Industrial Chiller Rentals
  - Mechanical controls systems service and service agreements
  - Energy Performance Contracting
  - Trane OEM services, warranty, parts and equipment provision
    - Custom engineered products:
    - Structural skids and protective coatings
    - Custom air handling systems and pressurization
    - Air conditioning unit modifications
    - Air filtration systems
- - Unitary HVAC Comfort Cooling
    - Process Absorption Chillers
    - Process Ammonia Chillers
    - Process Centrifugal, Scroll, and Screw Chillers
    - Compound and Cascade Systems
    - Multi – Stage Centrifugal Systems (Nominal and Low Temperature)
    - Multi – Stage Gas Compression
    - Cooling Tower Repair
    - OEM Trane, York, Carrier, Frick, Vilter, Bitzer, and more!

**As Hunton Group's OEM service provider, Hunton Services' technicians remain current in today's most sophisticated products and systems. This approach ensures we deliver less downtime, faster installation and a more efficient operation.**

### *We're proud to work with the following companies:*

- |                    |                     |              |
|--------------------|---------------------|--------------|
| ▪ Dow              | ▪ Baker Hughes      | ▪ Flex Steel |
| ▪ Shintech         | ▪ BASF              | ▪ Calpine    |
| ▪ Hexion/Momentive | ▪ Dixie Chemical    | ▪ Exxon      |
|                    | ▪ Western Container | ▪ Arkema     |
|                    | ▪ Plastipak         |              |
